

Colorado Boulevard Office

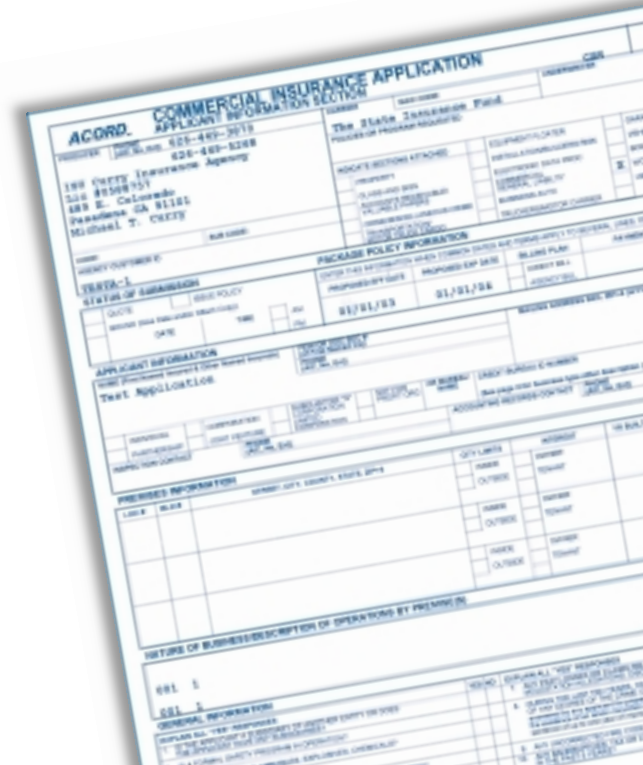

“We’ve counted on CCT for swift response to problems and creative solutions to our fast-changing business platform. Offering imaginative ideas and quick problem-solving has been our experience with CCT.”

—ISU Valley Insurance Service

489 E. Colorado Blvd.  
Pasadena, CA 91101

## Computer Solutions for Insurance Agents

Curry Computer Technology (CCT) is a network technology integration firm that specializes in providing advanced network design, implementation and management services for the insurance industry.

## Getting Computer Technology to Work for You

CCT specializes in providing technology integration through a wide variety of technical services:

- Agency Management Installation/Upgrades
- Scanning for Paperless Agencies
- Network Virus Protection
- Website Design/Hosting
- Remote Office Connectivity

“CCT is always on top of the latest technology for our industry, enabling us to be ahead of the competition.”

—Fox Insurance Agency

## Maximize Efficiency by Improving Existing Systems

CCT has developed a variety of creative solutions to improve your existing system. Here are a few examples:

- Email: Apps/memos/certs/docs from your management system.
- Network Faxing: Send and receive faxes directly from your desk.
- Backup Redundancy: Offsite internet backup to a secure location.
- Internet Presence: Acquire efficient and cost-effective website hosting and email services. If you do not have an Internet address, we can help you get one registered and design a site for you.

“CCT has been a tremendous help to our agency throughout the years, not only with our management system, but hardcore issues as well.”

—Wheatmen Insurance
